BASEBALL

AT CARROLL BUTTS ATHLETIC PARK

Hyland Hills is excited to be partnering with Professional Instructor Steve Jimenez to offer these fun and beneficial camps and classes.

Steve graduated from Ranum High School in 1990 and went on to play collegiately at Fort Hays State University. He has spent the last 20 years teaching the game of baseball at every level. During that time he has provided high level instruction to hundreds of young athletes. Steve has coached at every level including T-ball, 12U, High School, Legion, collegiately, and most recently as a Professional Instructor. Jimenez also has strong ties to the local community having grown up participating in Hyland Hills programs and winning a State Championship as a player in Perl Mack Little League.

Don't miss this great opportunity for kids of all ages and skill levels to stay in shape while maximizing their potential during the off-season!
